All tournaments will pay a non-refundable deposit of \$2000. This will be credited to the bill at the time of the event. Friday events - \$2500 course fee in addition to per player fee.

Food & Beverage

A menu for all food and beverage will be agreed upon prior to the event. Food and Beverage totals are based on consumption during the events. Only food and beverages purchased from the Club may be consumed on the Club premises. Options for food & beverage throughout the event are listed with the enclosed information.

Starting Times

Rounds start at 12:00 noon or later and will be in a shotgun format.

Contests and Prizes

Special golf events, such as longest drive, nearest to pin, etc., are available. Prizes or gift certificates to be awarded for tournament and special competitions are obtained by contacting the Head Golf Professional. Enclosed, you will find a brochure with special tournament pricing for our golf outings.

Dress Code

Proper golf attire is mandatory at all times. Blue jeans, cutoffs, t-shirts, sweat suits and sneakers are **NOT** permitted at the Club. **Soft spikes are required.**

Guaranteed Count

Ten (10) days prior to the outing/event Commitment Date, you will be asked to reconfirm and guarantee the number of players for food billing. Outings/events with food must also confirm the number of guests that will be eating. A starting sheet, listing the names of all players, must be submitted to the Head Golf Professional forty-eight (48) hours prior to the Commitment Date. This will be the amount of players (minimum 72) that will be billed for. If the number of players increases that fee will be based upon the higher number of players. In addition to guaranteeing the number of participants, this list will be used for pairings, cart assignments, score sheets, etc.

Confirmation of Date

Confirmation will occur upon (1) receipt of a fully completed application, (2), a \$2000 deposit, and (3) approval from the Director of Golf.

Cancellation Policy

Cancellation of any tournament within 90 days of the tournament date will be subject to a \$5,000 cancellation fee.

HELPFUL HINTS

Our staff has compiled the following suggestions to help ensure the success of your outing.

Outing Identification

There are three basic types of golf outings:

- 1) Corporate/Client
- 2) Corporate/Employee Incentive
- 3) Charity

Clearly identifying the outing type will guide our staff's recommendations on how to make your event successful.

Registration

The registration area is one of the most critical components of any golf outing. It sets the tone for the entire day. The registration table should be set up in a highly visible location, and should be manned two hours prior to the scheduled time for the beginning of play. Ensure that adequate personnel will be available to maintain a smooth flow of traffic, keeping the registration area clear.

Pace of Play

Maintaining an adequate pace of play is an important aspect in ensuring a successful golf outing. Slow play is annoying to other golfers and can disrupt the timetable for other planned activities. A quality round of golf should never exceed 4 ½ hours.

The pace of play can be managed by correctly pairing the members of your group by playing ability, and/or by choosing a format of play that produces timely rounds. Our staff will also take appropriate measures to guarantee that play progresses at a suitable pace. Course marshals should be provided to monitor play throughout the day. Progress updates should be provided to appropriate members of our staff to facilitate a smooth flow leading from the conclusion of play to the start of the banquet (or other outing events).

Shotgun

All outings will be shotgun starts at 12:00 pm. or later. *The use of a firearm is not permitted to signal a shotgun start on Greystone Golf & Country Club property.*

Contests

Contests can be an enjoyable source of entertainment and provide numerous sponsorship opportunities. They can also generate additional revenue for charity events. However, don't overload your event with too many contests since too many contests may slow down play.

Below are some suggested contests:

- 1) Longest Drive
- 2) Closest to the Pin
- 3) Mulligan Sales
- 4) Putting Contest
- 5) Longest Putt

CONTESTS & SCORING FORMATS

The most popular scoring formats include the following:

Scramble (the most popular)

On every hole, each team member drives and the best drive is selected by the team Captain. Each team member then plays a second shot from the spot where the selected drive lays, and the best second shot is selected. This process is repeated until the hole is completed. There are many modifications with scramble formats that can increase pace of play, build teamwork & add excitement to the tournament.

Low Gross Score

The actual number of strokes taken during the round of play.

Low Net Score

The number of strokes taken during the round, less the golfer's handicap.

Four-Ball Stroke Play ("Best Ball")

This is similar to individual handicap stroke play except that players are paired in two man teams, and their better ball on each hole is the team score. Allow each player 90% of his handicap, with strokes to be taken as they come on the card.

Quota Points

Each person's handicap will be subtracted from 36, leaving a quota that must be attained. Points are awarded as follows:

Bogey	1 Point
Par	2 points
Birdie	4 points
Eagle	8 points
Double Eagle	16 points

The winner is the player with the most points over their quota.

The management of Greystone Golf and Country Club will make every reasonable effort to reschedule the event; however, the inability to do so does not relieve the Member Sponsor from full payment for the tournament on the originally scheduled date.

I am aware that management can terminate my event at any time if any embarrassment or damage, as determined at the sole discretion of Greystone Golf and Country Club, is caused at or to Greystone Golf and Country Club during the course of, or prior to this outing/event, and that I am responsible for such damages except to the extent of the Club's negligence or willful misconduct.
