GOLF & COUNTRY CLUB

## GENERAL RULES

# GREYSTONE GOLF & COUNTRY CLUB GENERAL RULES

---

The General Rules (the "Rules") of Greystone Golf & Country Club (the "Club") have been adopted by the Board of Directors for the purpose of efficient operation and assurance to each Member to ensure fullest enjoyment of the Club facilities consistent with the interest of the membership as a whole.

*Alcohol.* Alcoholic beverages will not be served or sold, nor permitted to be consumed on the Club premises during the hours, if any, prohibited by law. Outside alcohol is not permitted on Club property without written approval by the General Manager.

All instances of intoxication on the Club premises or grounds (the "Club Property" including but not limited to the golf course, tennis complex, aquatics facility, fitness center and common area) will be reported to the Club's manager for appropriate disciplinary action. It is important that each Member fully appreciate the substantial liability that could be placed on the staff and management of the Club as well as the Club itself for serving intoxicated, or apparently intoxicated, Members or guests.

It is the Club's policy that all Club employees who serve alcohol be trained to detect evidence of intoxication of Members or guests and refrain from serving intoxicated persons. Alcoholic beverages may not be served to minors, i.e., Members or guests under the age of twenty-one (21). Club employees may, in their discretion, refuse to serve alcoholic beverages to any person who appears to be intoxicated or on the verge of becoming intoxicated. Members are encouraged to refrain from leaving the Club to operate a motor vehicle if in an intoxicated condition. No assistance will be offered any Member or guest to enable them to operate a motor vehicle if in an apparently intoxicated condition. The Club's manager or the responsible Club employee may, in his or her discretion, notify the appropriate authorities if a Member or guest insists on leaving the Club in an intoxicated condition and with the apparent intent of operating a motor vehicle. Club employees are instructed to assist Members/guests in finding a driver or a taxi as an alternative to operating a motor vehicle while in an intoxicated condition.

*Animals.* Domesticated animals, except service dogs accompanying Members and properly introduced guests, are not allowed on Club Property, except that leashed pets may be allowed on the cart paths of the golf courses at times when the golf course in question is closed or before or after golf rounds. Motor vehicles containing animals will not be allowed to remain on Club Property. Members are responsible for cleaning up after their pets.

*Automobiles.* Automobiles parked on Club Property must be parked within the areas designated for parking. All "No Parking" and handicap restrictions shall be observed at all times. Vehicles shall not be parked in the driveways at any time (except in designated parking areas) nor at the entrance of the clubhouse unless an attendant is on duty. Posted speed limits shall be observed at all times. The Club is not responsible or liable for any damage or theft of property to an automobile parked on Club Property.

*Billing.* All disputes concerning a Member's dues and charges shall be addressed to the Club Accounting Office. If the Member and the Accounting Office cannot resolve the dispute the Member may appeal in writing to the Club's Manager whose decision shall be final.

*Cards/Games.* The playing of cards, or other games, is permitted only in rooms or areas set apart for such purposes. The Board shall have the power to suppress all games which, in its sole opinion, will bring the Club into disrepute, interfere with the proper use of the Club by other Members, interrupt its harmony, or jeopardize its business licenses.

Audio, Camera and Video Recording Devices. The use of audio, camera and video recording devices is prohibited on Club Property unless there is implied authorization. Greystone Golf & Country Club personnel given authorization shall be allowed to use cameras or video recording devices to create promotional, educational or advertising content.

Charges/Checks. The Club does not cash checks for Members or guests.

Children. Except for preannounced, stipulated periods and for special events to be officially announced, children under twelve (12) years of age are not allowed in the clubhouse (other than areas designated for their use) unless accompanied by a responsible adult. Children may go to the pool unaccompanied at age ten (10).

Persons under twenty-one (21) years of age are discouraged from entering the Club bars at any time. Children under fourteen (14) years of age are not allowed in either the ladies' or men's locker rooms unless accompanied by an adult Member.

Members are responsible for the conduct of their children and their children's guests while they are on Club Property. Members will be required to reimburse the Club for any damage to Club Property, its facilities or property, caused by a Member's child or a child's guest. Members are responsible for the adherence to all of the Club rules and regulations and may be disciplined for their children's or their children's guests' violations of any such rules and regulations.

Complaints. All complaints against the Club management or against any officer or Member shall be made in writing to the Board and signed by the complainant. No oral or unsigned complaints will be considered. All Complaints against employees shall be made solely to the Club's General Manager.

Controlled Substances. Controlled substances (as defined by state and federal laws), other than those prescribed by a physician for medical reasons, are not permitted on Club Property.

Online Directory. The Membership directory may not be used by any Member for commercial or charitable purposes, nor given to a non-Member for any purpose. The directory is published solely for the social convenience of the Members.

Discipline. The Club's manager is required to notify the Board of any violation of the Club Rules. The Board reserves the right to discipline any Member who violates Club Rules in accordance with the procedures outlined in the Bylaws. Sanctions include, but are not necessarily limited to, fines, restitution, reimbursement for damage incurred, letter of censure, suspension, and expulsion.

Employees. Members are not permitted to reprimand, issue orders or make suggestions as to improvements of the Club to employees but should instead report any incivility or problem directly to the Club's General Manager or to the Club Controller. Any and all complaints or suggestions concerning employees must be transmitted directly to the Club's General Manager, or in his absence, to the Club Controller.

Tipping is discouraged other than for the locker room attendants, beverage cart personnel, and outside services attendants. In lieu of tipping employees, Members are extended the opportunity to show their appreciation of employees' services in the annual employee Holiday fund.

Enforcement. The management and staff of the Club is authorized and empowered to enforce these Club Rules on behalf of the Board.

Entertainment. No performance by entertainers will be permitted on Club Property without the Club manager's prior approval.

Firearms. Firearms and ammunition are not permitted on Club Property. Other weapons or fireworks, unless arranged by the Club, are also prohibited from Club Property.

Food and Beverages. All food and beverages consumed in the clubhouse and on Club Property must be purchased from the Club unless prior approval has been obtained from the Club's manager.

General Public. As the facilities of the Club are for the exclusive use, accommodation, and enjoyment of the Members and their invited guests, none of the Club's facilities shall at any time, in any manner, be made available to the general public.

Guests. Guests of Members may be entertained at the Club when accompanied by the Member who invited them and such Member must be present with their guest at all functions held in the Club or on Club Property. Members shall be responsible for all charges incurred, including those incurred by their guest, at any such function. If it appears a guest may arrive at the Club before the Member host does, the Member host should telephone and give the Club office his guest's name so that the latter may be properly admitted.

The conduct and behavior of guests are the sole responsibility of the Member host. A Member shall not introduce, as a guest, any person who has been suspended or expelled from the Club, unless such person has been reinstated or his record is so cleared as to make him eligible for reinstatement.

Members will be held responsible for the conduct of their guests and their guests' children while they are on Club Property and for their adherence to all of the Club Rules, including, but not limited to, reimbursement for any damage to Club Property, its facilities or property, caused by a guest or guest's child.

Members may introduce a reasonable number of guests to the bars, cocktail lounges, patios, and dining rooms, but should not leave any unescorted guests on Club Property.

Family Guests. Member's children over the age of twenty-five (25), brothers, sisters, parents, in-laws and grandchildren.

In-Town Guests. Guests who reside within 75 miles of the Club Property ("In-Town Guests").

Out of Town Guests. Guests who reside outside of 75 miles of the Club Property ("Out of Town Guests").

Junior Guests. Guests under the age of 18.

House Guests. Guests who reside 75 plus miles from Club Property and who are staying in a Member's home with them for an extended period of time.

Holidays. The Club is generally open on holidays with the exception of Christmas Day.

Hours. The Club shall be open for the reception of Members each day as the hours of operation dictate. The business offices of the Club shall be kept open at such times as may be designated by the Club's Manager. The dining rooms, bars, grills, card and game rooms, and athletic facilities shall be open at such times as are published by the Club's Manager with approval of the Board. Club hours of operation are posted on the Club website, and are established by the Board of Directors.

Indebtedness. The Board may limit the credit to be extended to Members on an individual basis. To remain an active Member in good standing, member statements must be paid in a timely manner.

Locker Rooms. Greystone Golf & Country Club has a ladies' and men's locker room at each clubhouse. The ladies' locker room is for use by females of all ages. The men's locker room is for use by males age fourteen (14) and up. Males under the age of fourteen (14) are encouraged to utilize the men's restroom at the Founders Clubhouse. Since the men's locker room and restroom are connected at the Legacy Clubhouse, males under the age of fourteen (14) are asked to check in at the Legacy Golf Shop counter before proceeding to access the Legacy upstairs locker room/restroom. Males under the age of fourteen (14) must utilize the door in the Golf Shop to enter and exit the upstairs Legacy locker room/restroom. Changing clothes and using the restroom upstairs should be the only business males under the age of fourteen (14) should assume while in the Legacy men's locker room.

Children age five (5) and under may accompany a parent of the opposite sex into the locker room. If a parent needs to bring a child of the opposite sex in to the locker room, please announce yourself so the other members may cover themselves for modesty. (*Amended September 17, 2014*)

Mailing List. The Club's mailing list shall not be used for any commercial purpose. Charitable and other solicitation of the Members is not permitted without prior written approval by the Board. Such solicitation must be under the Club's control and the mailing list should never be released.

Minimum Spending. For all membership categories except Life, Non-Metro, National and Player Development, there is a \$200 per quarter minimum requirement on prepared food, beverages and merchandise. Some exclusions apply including raw product and wholesale, bulk purchases. Any remaining unspent food minimum will be billed at the end of each quarter. For last names A through F, quarters end in March, June, September and December. Last names G through M, quarters end in April, July, October and January. Last names N through Z, quarters end in May, August, November and February.

Newspapers, Magazines. Newspapers, magazines and pamphlets provided for the use of all members shall not be removed from the rooms to which they belong.

Notices. No notice should be placed on any Club bulletin board or other place on Club Property without the prior approval of the Club manager.

Parties. A Member desiring to give a private party or event should contact the Events Director. Members using Club facilities for private parties or events shall be under a duty to see that such parties or events are conducted in a manner that will not bring the Club into disrepute or interfere with any other Member's use of the Club. Guests are not permitted to invite other guests to attend private parties or events hosted by a Member at the Club. Member hosts of private parties or events are responsible for the conduct of their guests while they are on Club Property and for their adherence to all of the Club Rules, including, but not limited to, reimbursement for any damage to Club Property, its facilities or property, caused by a guest. Member hosts are financially obligated for payment.

Petitions. No subscription paper, petition, or similar document shall be circulated nor any article exposed for sale or barter in the clubhouse or on Club Property by Members, guests, or employees except when authorized by the Board.

Property. Club property removed, damaged or destroyed by a Member or a Member's guest will be charged to such Member. The Club is not responsible for any private property belonging to a Member or a guest except that which is left, and receipted for, with the business office.

Reciprocity. The Club has informal agreements with many local clubs for charging privileges. Please contact the Accounting Office for details.

Reservations. It is the responsibility of each Member to make reservations for dining or other use of the Club when appropriate. Reservations shall be honored on a first-come, first-serve basis. Reservations for special Club-hosted social or dining events, including but not limited to holiday functions and themed dinner nights, must be canceled forty-eight (48) hours prior to the reservation or the Member may be charged the amount of the fixed-price menu as applicable. Reservations for special parties or private dining rooms must be canceled in writing eight weeks prior to the scheduled party or function or the Member may be charged a cancellation fee to be determined by the manager.

Smoking. Smoking is prohibited inside the clubhouses and other Club buildings. Smoking is only permitted on the terraces outside the main dining room and trophy room at the Founders clubhouse and in designated areas on the patios at both clubhouses. Cigarettes and cigars should be properly disposed of in ash or trash receptacles.

Solicitations. Demonstrations and solicitations on behalf of any political, sectarian, or other group are prohibited on Club Property. Furthermore, distribution of printed matter on behalf of any person, party, or legislation in the clubhouse and on Club grounds is prohibited. Members may not be solicited for any reason at any time.

Stationery. No Member or guest shall use any stationery bearing the name or seal of the Club except stationery furnished by the Club and with the prior approval of the Club manager. The telephone numbers of the Club shall not be listed on any private stationery or advertised as the business telephone of any Member or guest.

Visitors. The Club staff is to exercise extreme caution in admitting and engaging unexpected visitors. Anyone calling upon a Member or a manager at the Club, and not a guest of a Member or invitee of Club Management, must be shown into the reception area and shall be excluded from all other parts of the Club until met and escorted by a Member or a manager.

Amendments. These Rules may be changed, amended, or repealed by the Board at any regular or special meeting and without prior notice. Notice, however, of any amendment or repeal of these Rules enacted by the Board shall be promptly published to the Members.

# GOLF

---

---

Membership and Privileges. Access to golf facilities, including the practice facilities and courses, is strictly for the enjoyment of Members with golf privileges and their guests. Social and House Members have no golfing privileges, except that they can play as a guest of a Member with golf privileges. (Amended January 19, 2015)

Starting Times. For the convenience of the Members, starting times are available Monday through Sunday. Starting times may be obtained one week in advance, and will not be reserved in advance of this time. Members are encouraged to give all guest names when reserving a starting time. It is requested that at least three players' names be submitted when reserving a starting time. Members may reserve a tee time online by visiting [www.greystonecc.com](http://www.greystonecc.com).

Starting Play. Players may begin Hole #10 only with the advance permission of the Director of Golf or his staff. Players beginning play at Hole #10 do not have priority over groups turning through Hole #9 who shall have the right of way and the right to play through. Otherwise, starting play shall begin only at Hole #1.

Use of the Golf Course. The area within the confines of the golf course is intended solely for the use of golfing Members and their guests. Members not playing golf must confine their activities to walking on the cart paths under the guidelines that they are off the front nine by 8:00 a.m. and off the back nine by 9:00 a.m.

Amendments. These Golf Course Rules may be amended or modified and additional rules and regulations may be promulgated at any time and from time to time by the Golf Committee with the approval of the Board of Directors of the Club.

Associations. The Board of Directors, when appropriate may, in coordination with the Golf Committee, authorize the formation and maintenance of a Senior Men's Golf Association, a Men's Golf Association, a Women's Golf Association, and a Juniors' Golf Association.

Bag Storage. The storage of one set of clubs for Members with golf privileges is complimentary. Spousal and dependent bag storage, if space is available, shall be allowed and billed for separately at the appropriate fee. Bag storage shall include appropriate club cleaning and service.

Bicycles. Bicycles, roller blades, skateboards, off highway recreational vehicles (OHRVs) and all other non-golfing vehicles and/or activities are not permitted on the golf course at any time. The golf course is deemed to include all golf cart paths and golf cart staging areas.

## Youth Golf Policy.

- I. Check-In Procedure. All players are required to check in with the Golf Staff in the Pro Shop prior to proceeding onto the golf course or practice areas.
- II. Access to Practice Areas and the Golf Course:
  - Ages seven and under: Children under the age of seven will be allowed on the Club's practice areas under the supervision of a Parent or member of the Club's golf staff or parent. Parents are not allowed to take children under the age of seven to the practice areas while a parent practices. Children under the age of seven will be allowed to accompany their

- parents on the golf course.
  - Ages seven to 14: Children ages seven to 14 may use the practice areas and golf course if accompanied by a parent or unaccompanied if they have received “playing certification” from the Club’s Golf Staff. Information on playing certification is available in the Golf Shop.
  - Ages over 14: Those over 14 years of age shall have the same privileges as adult members, subject to the terms of this policy and the other rules and regulations of the Club.
- III. Golf Carts: All current Club rules pertaining to the use of golf carts shall remain in effect: No one shall operate a golf cart without a valid driver’s license and only two riders shall be allowed per cart; however, (a) one adult and two children under the age of seven, or (b) two adults and one child under the age of seven shall be allowed. No children under the age of seven shall be left unattended in an operable cart (including parked golf carts adjacent to any of the practice areas of the Club). Reminder: The golf cart operator must hold a valid driver’s license and be 16 years of age.
- IV. Golf Etiquette: All youth golfers utilizing any of the practice areas of other golfing facilities of the Club shall be expected to be familiar with, and observe proper golfing etiquette at all times.
- V. Youth Golfers who are certified may play without a parent at the following times:
- a. Monday-Thursday before 11:00 a.m. or after 3:00 p.m.
  - b. Friday-Sunday after 3:00 p.m.

Attire. All persons using the golf course, practice tee, putting green, practice areas, or any other golf facility must wear collared shirts and they must be tucked in at all times. Cargo shorts, t-shirts, shirts without sleeves or collars, and tank tops are not permitted, nor blue jeans, dungarees, cut-offs, swimwear, football jerseys or any type of shirt with printed phrases or slogans, other than a club or other appropriate logo. Baseball style golf caps must be worn properly with the bill in the front. For both men and women, bermuda shorts should be of a conservative tailoring. A bermuda short with a seven inch seam and 16 inch out seam is proper, or preferably no more than four inches above the top of the knee. Women may wear slacks at any time. Skirts are expected to be no higher than four inches above the top of the knee. For women, sleeveless golf shirts are acceptable, provided that they are in good taste.

Only approved golf shoes must be worn on any greens, including practice greens. Spiked shoes must be equipped with soft spikes. Hard spikes are not permitted at any time. If you are uncertain about the conformity of the spikes on your shoes to the above, please notify the Golf Shop.

Members are responsible for acquainting their guests, including children, with these dress rules. Club Management may deny golf privileges to any individual whose attire is not considered appropriate.

Driving Range. Use of the practice range will be subject to rules posted within the Club and at the range. The practice range may be closed by the Director of Golf, Head Golf Professional or his assistant at any time to permit recovery of range balls or to respond to other special circumstances.

Etiquette. In consideration of other players, please be aware of your pace of play. Keep pace with the group in front of you. The goal for a round of golf at Greystone is four hours. A group is in violation of Greystone pace of play policy at a round time of four hours and 20 minutes. Players habitually exceeding four hours and 20 minutes may be limited to certain playing times as recommended by the Golf Committee and approved by the Infractions Committee. A onesome has no standing on the course at any time. Twosomes and Threesomes do not have the right of way over Foursomes on Saturday, Sunday, and holidays. As the course accommodates more players in Foursomes, members may not be allowed to play Twosomes during peak play periods. Play is not permitted in groups of more than four players unless approved by the Golf

Professional on duty. Any match which is holding up the match following must, as soon as there is one clear hole ahead, allow the following match to play through. A match which is being held up by players with one clear hole ahead of them may ask to play through if this courtesy is not promptly volunteered. A slower, preceding match must allow those following to play through on demand.

Players looking for lost balls shall, when there is an open hole ahead, signal following players to pass. Having given such a signal, they shall stand aside and cease play until the other players have passed or are out of range. Players should refrain from taking a mulligan on the first tee. The USGA Handicap System prohibits mulligans in a posted round.

Fishing. There shall be no fishing on the Club premises at any time.

Golf Carts. It is Club policy to permit the membership and their guests the privilege to operate golf carts as provided by the Club during the play of a round of golf and to transport themselves and their equipment to and from the practice areas when available. Members are strictly responsible for their guests and their own safe operation of the golf carts so as not to interfere with fellow players' enjoyment of the game, and at all times guarding against injury to persons or damage to property, especially the playing surfaces of the golf course. The Golf Course Superintendent (or in his absence, the Head Golf Professional) shall have sole authority over whether golf carts will be permitted on the course.

Golf carts shall not be rented to, nor operated by individuals under 16 years of age and without a valid driver license. Unless otherwise indicated, golf carts are to remain on the golf cart paths at all times. There may be times during the season that carts are allowed off the path, at which time the 90 degree rule will be in effect.

The Club assumes no responsibility for accidents or damage caused by golf carts. Reckless driving of a golf cart or violation of golf course rules may result in forfeiture or suspension of the privilege of playing golf on the course itself. Only golf carts owned by the Club and other authorized vehicles shall be allowed on the course or in club parking lots. Privately owned golf carts and unauthorized vehicles shall not be allowed on the course or in the parking lot at any time. Extreme caution in the operation of golf carts should be exercised at all times.

The Club reserves the right to refuse or cancel the use of a golf cart, without refunding any fees to any person not following the golf cart rules or policies established by the Club. All players agree, for the privilege of using a golf cart, to pay or reimburse the Club for any and all charges arising out of breakage, shortage, or damages to the golf cart, other than ordinary wear and tear, and any damage to the golf course or any of the improvements thereto. The golf cart operator (and sponsoring member if the operator is a guest of a Member) agrees to indemnify and hold the Club, its officers, directors, and employees harmless from any and all injury, damage, or claims to any nature whatsoever whether to person, property, or both, that may arise out of, or result from or through the use of the golf cart by the person operating the same.

Golf carts must have all wheels on the cart paths when 30 yards or closer to all tees and greens. Golf carts are not to be taken off the golf course, or into the parking lot, or returned to any location other than the golf cart staging area. Enforcement of the golf cart rules shall be the responsibility of all members, the Director of Golf or Head Golf Professional, and his staff. Violations shall be reported to the golf staff who, in turn, will report all violations to the Golf Committee. Both the driver and passenger, if a Member, may be sanctioned for violations.

Golf General Rules Waived. At the direction of the Director of Golf, any golf general rule may be waived in order to adjust to existing circumstances.

*Golf Outings.* Golf outings sponsored by a Member and involving more than two foursomes shall not be allowed unless approved in advance by the Director of Golf.

*Guest Fees.* Greens fees shall be charged for all guests. All guests must be accompanied by a Member. Except when approved by the Director of Golf, all foursomes should include at least one Member. Greens fees for all seasons of the year are as approved periodically by the Board of Directors. We request that all guest fees and guest cart fees be charged to the account of the member host or paid with the credit card from the guest.

*Guests.* All guests should be accompanied by their Member host. To facilitate accurate monitoring of guest play, a record shall be kept in the Golf Shop of the date each guest has played and the Member with whom he or she played.

Family Guests may play twice per month at half of the regular guest fee.

In-town Guests may play once per quarter at the regular guest rate.

Out-of-town Guests may play up to six times per year with no restriction on the number of rounds per month.

Junior Guests may play two rounds per month.

At all other times, a Member may request special approval to host up to seven guests. The group that does not include the Member host must play directly in front of the group that includes the Member host. Such requests should be made to the Director of Golf prior to the date on which the Member and guests wish to play.

*Handicaps.* Each Member is to record his or her score for handicap purposes following completion of each 18 hole round. Scores are to be recorded with U.S.G.A. equitable stroke control adjustments and posted in the Golf Shop. Tournaments are played using current handicaps which are updated monthly. The Director of Golf and the handicap committee are responsible for the review of posted scores and score cards. Score cards shall be signed by the Member posting a score and shall be attested by another Member or the guest of a Member if no other Member was in the foursome.

*House Guest.* A Member in good standing may request a House Guest Pass for a house guest who resides more than 75 miles from the Club. Requests for a House Guest Pass should be made to the Director of Golf. The request should include the guest's full name, address, dates during which he/she will be the house guest of the member, dates requested for House Guest Pass and dates of the last previously issued House Guest Pass for this same guest. A House Guest Pass must be requested for each individual guest who is to have access to the Club under the sponsorship of the Member host. A House Guest Pass may be requested for up to seven consecutive days. House guests of Members using the Club's facilities and services by virtue of a House Guest Pass may do so without being accompanied by their Member host; however, the Member host will be responsible for the actions of or damages caused by and charges incurred by their guests. Each individual being granted access to the Club by virtue of a House Guest Pass will be issued identification credentials which they should be prepared to show to the Club's management and staff upon request. The Club's current guest fees and policies regarding access to the Club's facilities will apply to guests using the Club by virtue of a House Guest Pass. A House Guest Pass may not be issued to the same individual more than once per quarter without the approval of the Director of Golf.

Lessons. Lessons are available by appointment from the Director of Instruction, Director of Golf, Head Golf Professional, or members of the Professional Staff. Playing lessons are also available upon request and at the expense of the Member requesting the same. All instruction that takes place on Club grounds will be conducted by the Club's Golf Staff unless authorized in advance by the Director of Instruction or the Director of Golf.

Local Rules. Local rules shall be published from time to time as approved by the Golf Committee and approved by the Board of Directors.

Lockers. Lockers are available at either facility.

Measurements. Measurements are given for markers on each tee and by various yardage indicators to the center of the green.

Participation in Club Events. Certain Club tournaments are open to Members only. Other events are open to both Members and dependents. Currently, the Flag Day Tournament held on July 4<sup>th</sup> and Club Championship events are open to Members and dependents who have reached their 18<sup>th</sup> birthday prior to the date of the first round of the event. The Club's current Junior Champion will also be allowed to compete in the Championship Flight of the Club Championship if he/she so desires. The Member-Guest Invitational, Member-Member, and Match Play Championships are open to Members only. Eligibility for other Club events not listed above will be established by the Golf Committee.

Physically Handicapped. The Club extends special courtesy to Members and guests with physical limitations to allow them to drive on the course fairways when normal traffic is confined to the golf cart paths. The following rules apply, however: The golf cart shall not be driven within 20 yards of the greens or tees. On days when the course is designated closed to golf carts, a sign so designating shall be posted on the #1 and #10 tees. All golf carts shall be confined to the golf cart paths except for players with a bona fide physical limitation who furnish the Director of Golf with an appropriate certificate of such limitation. The certificate shall be kept on file in the Golf Shop. If two players in the same foursome require physically handicapped privileges, then they should share a single cart. If, in the opinion of the Golf Course Superintendent or the Director of Golf, the golf course is too wet or subject to damage so that it becomes necessary to disallow all carts, then the physically handicapped player shall also obey the golf cart path only rule.

Practice Areas. Practice areas shall be used for practice putting, chipping, pitching, bunker and full golf shots. Full golf shots shall only be taken from the teeing ground. No practicing shall be permitted on any other area of the golf course. The putting green is restricted to the practice of low running chip shots and putting only. The pitching green is for shots of 50 yards or less and caution should be used when more than one person is using the pitching green.

Pull Carts. Only Greystone rented pull carts are permitted on Club Property at any time.

Rain Day Policy. When inclement weather causes termination of play, a credit for the guest fee or golf cart fee incurred may be granted as determined from time to time at the discretion of the Director of Golf. Credit will only be issued on the day of play for which play was interrupted or terminated. The completion of five holes will count as a nine hole round, and the completion of 14 holes will count as an 18 hole round.

Rules of Play. The U.S.G.A. Rules of Play modified by local rules govern all play.

*Service Fees.* Golf guest fees, golf cart charges, and other golf fees are subject to change from time to time by the Board of Directors.

*Tournaments.* Tournaments other than Club sponsored events are prohibited except by recommendation of the Director of Golf or Golf Committee with approval by the Board of Directors. Individual Members shall not be permitted to group together and invite guests for the purpose of holding a private tournament or a special event which would exceed two foursomes, because such practice would defeat the intent and purpose of preferred access to the course to other Members. All scheduled Member tournaments shall be under the supervision of the Director of Golf with the support of the Golf Committee.

*Violations.* Violations of any of these rules shall be reported to the Golf Professional staff, Golf Committee and Board of Directors for appropriate action. Rules violations should be reported to the Golf Shop.

# AQUATICS

---

---

Guest Policy. Members must register each guest at the check-in desk upon arrival. Members are responsible for all actions of their guests.

A member may bring up to six guests at a time during the week. The same guest may only visit the Aquatics Center two times per month on weekdays. Weekday Guest Fee: \$5 per guest

A member may bring up to four guests at a time on the weekends. The same guest may only visit the Aquatics Center two times per month on weekends. Weekend Guest Fee: \$10 per guest

A member may bring up to four guests on a summer holiday. Memorial Day, Independence Day, and Labor Day are considered summer holidays. Holiday Guest Fee: \$12 per guest

All fees will be charge to the corresponding members account within twenty-four hours. Fees do not apply to member's grandchildren or to guests ages 2 & under. Adjustments to the Guest Policy for special situations, such as family members being in town, will be made if deemed appropriate by the Director of Aquatics or General Manager.

Towels. Complimentary pool towels are available daily for all members and guests. Towels may be signed out at the check-in desk and must be returned prior to departure. In order to continue offering this service, a fee will be charged for towels not returned by the end of the day.

Unreturned Blue/White Towel Fee: \$5 per towel

Unreturned Beige Towel Fee: \$15 per towel

All fees will be charge to the corresponding members account within twenty-four hours. On rare occasions, an unreturned towel fee may be waived if deemed appropriate by the Director of Aquatics or General Manager.

## Pool Rules

### Family Pool Rules

1. At least one certified lifeguard must be on duty in order for any patron to be on deck or enter the water.
2. All patrons must shower before entering the pool.
3. Minors under the age of 10 must be accompanied by an adult or babysitter age 16 or older who is registered with the Aquatics Office.
4. Prolonged, repetitive, or competitive breath holding is strictly prohibited.
5. Proper swim attire must be worn at all times. Cut-offs, jeans, and underwear are not permitted. Infants and toddlers must wear safe swim diapers.
